A wee bit about us.....

The Village Shop and Flounders Cafe is a Community Benefit Society owned and run "By the Community for the Community" It was established in 2014 when the shop was going to close. The community decided that wasn't going to happen and over 70 shareholders are currently involved in the venture.

We started out by renting the premises and in 2019, when the opportunity to buy the shop and the adjoining house and cafe arose, we did. Since then, tenants have moved in to the renovated house and in July 2021 Flounders Community Cafe opened its doors.

All this and current projects have only been possible because of the commitment of our volunteers and staff and, of course, the funders.

So let's hear it for the Funders.

Scottish Land Fund; Rural Housing Fund; James T Howatt; Dalbeattie Rotary Club; Awards for All; Dumfries and Galloway Community Fund; Scotland Loves Local; and Prince's Countryside Trust. Without them it would not have happened.

There has been a shop on this site since 1953. Originally it was attached to a dairy, then a house and later a cafe was added. It's been a mainstay in Palnackie for a long time and the aim of Palnackie Village Shop Limited is to make sure that continues long into the future.

Thank you for your support.
